

Some of the tour options that are being considered include:

McConnell Air Force Base tour. Located four miles southeast of the central business district of Wichita, a city in Sedgwick County, Kansas, United States, the airbase was named in honor of Fred and Thomas McConnell of Wichita, who had both been Air Force pilots and veterans of World War II. It is the home of Air Mobility Command's 22nd Air Refueling Wing, Air Force Reserve Command's 931st Air Refueling Wing, and the Kansas Air National Guard's 184th Intelligence Wing.

The Kansas Aviation Museum. Housed in the former Wichita Airport terminal building, there is much to see in this beautiful Art Deco style building including aircraft on static display outside on the ramp. It is also a great place to watch the a/c from McConnell AFB take off and land, which happens on a regular basis.

The Museum of World Treasures. A quirky and fun museum in the heart of the Old Town district of Wichita. Old Town is a fun area loaded with restaurants and shops and is very walkable.

Verterans Memorial Park A lovely park along the banks of the Arkansas river in the beautiful riverfront area of Wichita. It features seven memorials to veterans of all wars and Gold Star mothers.
