

The Torretta Flyer

Torretta Flyer No 32

484th Bomb Group Association

Fall-Winter 1997

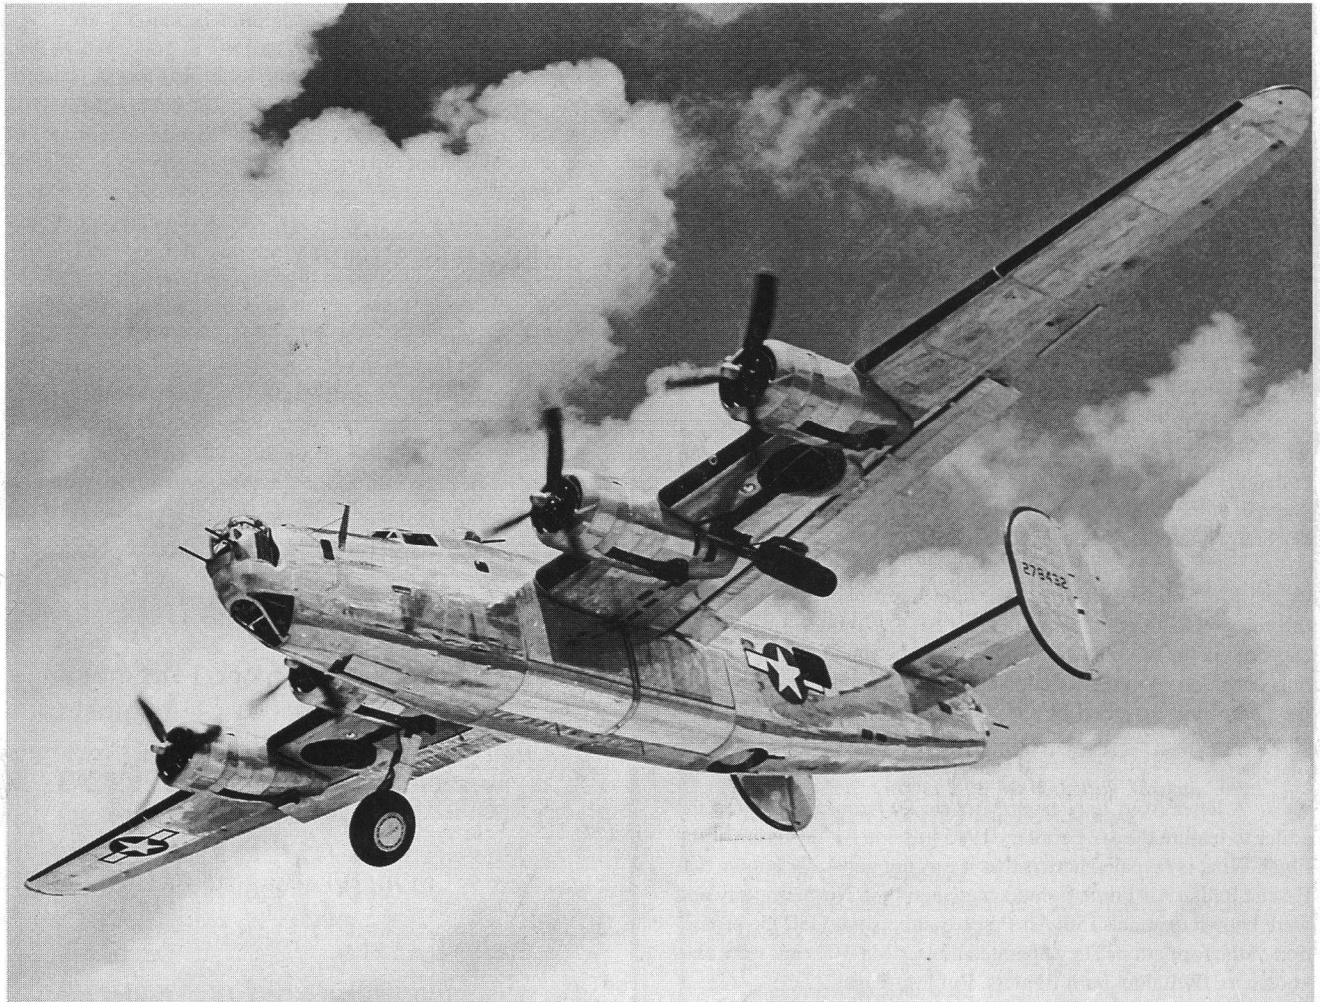

Photo above:

This aircraft is symbolic of the B-24J that took off from India for its final trip to the Pima County Air Museum. The restored B-24J will be on display at the Pima County Air Museum for attendees to the 1998 Reunion in Tucson, Arizona. See the story of this famous flight starting on page 16.

Me-109 Based in Northern Italy flown by Italian Pilots, See page 27
