

## 1998 Reunion

As announced at the Washington, DC reunion, the Association will be going to Tucson, Arizona in 1998. We have chosen the Tucson Hilton East to be the host hotel November 3 to 7, 1998. November temperatures are mild in Tucson. The hotel will grant the room rate of \$74.00 per night single or double three days in advance of the reunion and will grant the same room rate on availability three days after the reunion. The Tucson Hilton is a high quality property similar to the Fairview Park Marriott.

The schedule will move up one day from our usual pattern so that the squadron dinners will be held on Thursday, November 5 and the Banquet will be held Friday night, November 6 instead of Saturday night. The memorial service & breakfast will move to Saturday morning, November 7. As approved by the membership at the business meeting, the Association will engage the services of Armed Forces Reunions, Inc. to perform the planning and operational functions of the reunion. It is hoped that this arrangement will help the reunion committee (aka Bud and Bea Markel) reduce the workload.

## The Torretta Flyer

### Issue #32 Fall-Winter 1997

Copyright © 1997 Reproduction without permission is prohibited.

The Torretta Flyer is the official publication of the 484th Bomb Group Association. Normal distribution is limited to members only. Requests from nonmembers for copies should be directed to the Editor.

Contributions of stories, articles, memorabilia, and graphic materials to the Torretta Flyer are always welcome. Clean typewritten manuscripts and Microsoft Word disks are preferable. Other formats are also acceptable. Please contact the Editor for further information.

The Torretta Flyer reports primarily on the history of air warfare during WWII and the accomplishments of members of the 484th Bomb Group during WWII. From time to time the magazine will cover other subject matter related to aeronautical events as material becomes available. Readers are encouraged to submit their own stories or material from other sources.
