Marty Scheina;

A Jeff Clark, e-mail: bandit1200high@aol.dot.com has an interest also in George K Dickle. I gave him your e-mail address, you may want to contact him.

Would you kindly give me the addresses of the crew members you did contact, Edward Drislane, and Oscar E Kough. The name Dickle may be misspelled as I did not find that name listed in any of the phone books. The name Dickel drew many references, none however with the first name George K.
